Oilmen's Bass Classic

Welcome

The board of directors and sponsors of the 40th annual Oilmen's Bass Classic extend a hearty welcome to our participants.

A special thanks to all the past board members and sponsors that worked so hard to start this great tournament.

We thank you, the participants and sponsors, for making our Oilmen's Bass Classic the oldest oil & gas industry bass fishing tournament. Also, we recognize that without the help of volunteer workers and the cooperation of the Sabine River Authority and Cypress Bend Resort personnel, that this tournament would not be what it is today.

We have had 40 great years and we recognize that without the help of the past board of directors, this tournament would not be the success that it is today.

The generous support of our sponsors has allowed us to provide the participants with two great days of outstanding fishing, fun, and entertainment.

Again, thanks for all the hard work, and congratulations to all involved in helping make it to 40 years.

With everyone's continued support, we look forward to keeping the primary goal of this tournament an instrument for bringing people in our industry together, while at the same time supporting Shriners Hospitals for Children.
